

RENAISSANCE SQUARE

**Renaissance Square** is a new two-story, 27,000 square foot mixed-use development that was completed in December 2007. The first level is available for commercial use with 10,000 square feet of shell interior space that can be built out according to the owner's specifications.

On the second level, eight residential units, ranging in size from 785 to 1,530 square feet, are for sale. Each unit has hardwood flooring, ceramic tile bathrooms, nine-foot ceilings and crown molding, laundry closets and central heat/air. Kitchens include granite counters, refrigerator, dishwasher, stove with microwave hood. Sales prices range from \$161,000 - \$253,000. Two parking spaces per condo owner.
